Dear Mr. Weisberg

I have just purchased a copy of your Whitewash IV from Brentano's here and have read it with great interest. You did an important servic in securing and publishing the Warren Commission meeting of Jan 27, 1964 transcript.

I enclose my check in the amount of $150.00, which I hope will cover the cost of one copy of each of your other books now available. Please keep any balance.

Sincerely,

Peter Shepherd
